

afternoon, the Pease Greeters are there to welcome and thank the members of the military and the civilian men and women working in the DOD coming through Pease. As of May 2016, the Pease Greeters have met more than 190,000 servicemen and servicewomen at the trade port, provided a bank of phones where they can call loved ones anywhere in the world free of charge, offered them more than 27,000 pizzas, 167,000 sandwiches, 110,000 bottles of water or soda, and 74,000 knitted hats.

As the Pease Greeters welcomes its 1,000th flight on June 26, 2016, I commend the board of directors, the many volunteers, the supporting businesses, the Pease International Airport director and staff, and the hundreds of well-wishers who have spent more than 11 years thanking and honoring our troops and DOD members for their service and selfless sacrifice to our Nation. As the Pease Greeters' mission continues, I have no doubt they will continue to provide comfort and welcome many future military members arriving or departing from the Pease International Trade Port.●

40TH ANNIVERSARY OF THE MEMORIAL TOURNAMENT

● Mr. PORTMAN. Mr. President, today I wish to recognize the 40th anniversary of the first playing of the Memorial Tournament, "the Memorial", at Muirfield Village Golf Club in Dublin, OH. Jack Nicklaus, a golf legend and Congressional Gold Medal recipient, founded the Memorial in 1976. Jack wanted to bring an annual PGA tour event to Central Ohio and named the tournament "the Memorial" to recognize a person or persons, living or deceased, who have contributed to the game of golf with honor.

The Memorial has been a significant benefit to charitable organizations. For example, Nationwide Children's Hospital in Columbus, OH, has received over \$14 million from the Memorial. In honor of that support, the hospital renamed its neonatal intensive care unit, NICU, as the Memorial NICU in 2006. The Memorial has also helped other organizations, such as the James Cancer Hospital and Solove Research Institute, the First Tee of Central Ohio, Shriners, and many more. The Memorial provides a significant economic development impact to the central Ohio region with an estimated \$35 million annually toward the economy.

I am honored to have attended the Memorial to see firsthand its impact in the community. I would like to congratulate all who were involved in making the first 40 years of the Memorial a success.●

RECOGNIZING ALABAMA'S SPECIAL CAMP FOR CHILDREN AND ADULTS

● Mr. SESSIONS. Mr. President, today I wish to recognize the 40th anniversary of Alabama's Special Camp for

Children and Adults, a nationally recognized leader in therapeutic recreation for children and adults with both physical and intellectual disabilities.

Also known as Camp ASCCA, the organization was founded in 1976 with the goal of helping eligible individuals achieve equality, dignity, and maximum independence. Camp ASCCA is the only one of its kind in the State of Alabama and hosts between 6,000 and 8,000 people each year, all varying in age. On the shores of Lake Martin, the camp offers 230 wooded acres and handicapable facilities. The camp strives to increase the level of individuality and confidence of its guests, and that impact lasts long after the camp session ends.

Camp ASCCA maintains a trained staff dedicated to accommodating the needs of its visitors. The mission statement of ASCCA is to serve those who can derive maximum benefit from the resident camp experience and provide a healthier, happier, longer, and more productive life for children and adults of all abilities.

On August 6, 2016, ASCCA will be celebrating its 40th anniversary.

Please join me in recognizing Alabama's Special Camp for Children and Adults for its long-term commitment to creating an enjoyable atmosphere for those guests who attend.●

REMEMBERING MARLIN MOORE

● Mr. SHELBY. Mr. President, today I wish to honor the life of my friend Marlin Moore of Tuscaloosa, AL, who passed away on May 25, 2016. He will be long remembered as an accomplished businessman and a civic leader.

A native of Tuscaloosa, Marlin attended Tuscaloosa High School and then went on to become a student at the University of Alabama's School of Commerce. Following graduation, he joined the firm of Pritchett-Moore, Inc., where he worked under its founders, Marlin Moore, Sr., and Harry H. Pritchett.

Marlin eventually became president and then chairman of Pritchett-Moore. Not only did he develop 43 subdivisions during his time with Pritchett-Moore, but he was involved with the Realtors Association both on the State and national level. Marlin served two terms as president of the Tuscaloosa Association of Realtors, president of the Alabama Association of Realtors, and served as a board member of the National Association of Realtors for 11 years. For his contributions to the real estate community, he received the Alabama Realtor of the Year Award and was named a member of the Home Builders Association of Tuscaloosa Hall of Fame.

In addition to his interest and work in real estate, Marlin was also a founder of Security Bank, where he served as its chairman. He served as a board member of First National Bank and AmSouth Bank, and he served two terms on the board of the Federal Reserve Bank of Atlanta.

In addition to his professional contributions to west Alabama, Marlin worked with several philanthropic organizations such as the United Way of West Alabama, West Alabama Chamber of Commerce, Red Cross, Exchange Club, the Boy Scout Council, the West Alabama Community Foundation, and the University of Alabama and the Crimson Tide Track Program. In 2008, he was inducted into the Pillars of West Alabama for his dedicated efforts and service to the area.

The city of Tuscaloosa and the State of Alabama was fortunate to have a great businessman and civic leader like Marlin Moore, and he will be sorely missed. I offer my deepest condolences to his wife, Laine, and their children as they celebrate his life and mourn his loss.●
